DIGITAL COMPANY LTD

COMPANY PROFILE

A Brief History

FOUNDING

Ellipsis Digital was founded in December 2018 in Wels, Austria by Ng'winula Kingamkono and Johannes Siller, who have a combined experience of 30 years in software development.

2018

REGISTRATION

The company was officially registered in January 2019 in Dar es Salaam, Tanzania, and offers a range of services including software outsourcing, software development (mobile, web & more), technical consultation, server management, IT equipment procurement and installation.

FIRST CLIENTS

In 2019, Ellipsis Digital's first customers were from Austria and the United Kingdom, and in 2020 the company gained its first customers from Tanzania. Today, Ellipsis Digital offers support to global clients.

2019

OUTREACH PROGRAMME

The company also launched its sustainable Developers Outreach Program in 2019, which aims to identify and nurture the next generation of software developers.

Founders

NG'WINULA KINGAMKONO

Ng'winula Kingamkono is a renowned software industry leader and co-founder of Ellipsis Digital. With over 10 years of hands-on experience in user experience design, tool setup, user interfaces, and software development, he has a deep understanding of the digital landscape and a passion for driving innovation. Kingamkono has a successful track record of launching businesses in Africa and the United States, showcasing his strategic thinking and ability to bring new ideas to fruition.

Founders

JOHANNES SILLER

Johannes Siller is a seasoned IT entrepreneur and co-founder of Ellipsis Digital, with over 20 years of experience in the industry. As a business angel, he has a strategic focus on B2B IT startups and has been a valuable asset to numerous companies. Siller's wealth of expertise and extensive network of resources make him a valuable partner for startups looking to thrive in the market. His unique blend of technical expertise and business acumen make him an inspiration to aspiring entrepreneurs everywhere.

Our Mission

Ellipsis Digital is dedicated to delivering exceptional software development and IT services to clients around the world by being efficient, innovative, and excellent in everything we do, and by delivering the highest quality products and services possible.

Core Values

I EXCELLENCE

We are committed to delivering the highest quality products and services possible, and to continually improving the quality of everything we do.

I INNOVATION

We strive to introduce new, original, and advanced ideas that push ourselves and our clients to the next level of success.

I EFFICIENCY

We work efficiently and productively to deliver on time, at a great speed, and at a reasonable cost to our clients.

By upholding these values, we aim to build long-term partnerships with our clients and to consistently exceed their expectations.

SYSTEM DEVELOPMENT

Ellipsis Digital provides systems development services that help businesses streamline processes and improve efficiency. By converting business needs into working tech solutions, we take the headache out of the equation and deliver results that our customers care about. Let us help you achieve your business goals with our expertise in custom software solutions and integration.
